Professional Profile

I am a dedicated, creative, and enthusiastic educator that makes learning fun. I establish and maintain an excellent rapport with students of all ages, having had experience in all grades K through 10 in both public and private settings. I have the ability and experience to jump into any classroom situation or subject matter, and quickly make it my own. My classroom environments are both stimulating and beautiful. I have both a multi-subject and a single subject credential in English, with an art credential pending.
